Please note that we use local suppliers and do not knowingly use foods/materials that are genetically modified. Please be aware that whilst we do not use nut oils, there may be traces of nuts in some of our foods. Where nuts are knowingly used in certain dishes, such as desserts or in sauces, this will be indicated on the menu.

*Please also note that it is impossible to guarantee that any fillet of fish served will be 100% free of small bones due to the nature of the product and if found, is totally out with our control.
